

# Lianet Rodriguez

## OBJECTIVE

Visual Arts student with a focus on Film and Technology, seeking a dynamic role to apply creative skills and technical expertise. Currently pursuing a Bachelor's degree at New World School of the Arts, I bring a diverse background in gallery interpretation, brand representation, and film production assistance. Eager to contribute to innovative film projects with artistic vision, technical proficiency, and a collaborative mindset.

## EXPERIENCE

### Chroma Art Festival

Exhibiting Artist

August 17 - 18, 2024

- Successfully showcased "Pena Intima," a multimedia installation that explores themes of intimacy and emotional connection through various artistic mediums.
- Engaged with diverse audiences, fostering discussions around the work's conceptual underpinnings and personal relevance.
- Contributed to the festival's goal of promoting innovative art practices and connecting artists with the community.
- Collaborated with fellow artists and festival organizers, enhancing the overall exhibition experience through teamwork and creative synergy.

### BFA Show: *Habitus*

Exhibiting Artist

April 12 -27,2024

Presented a collection of works that investigate the relationship between personal identity and environment through innovative artistic expression.

- Fostered audience engagement by creating immersive experiences that prompted discussions on the themes of belonging, memory, and cultural context.
- Collaborated with fellow BFA candidates, contributing to the cohesive presentation of the show and enhancing the overall impact of the exhibition.
- Demonstrated proficiency in curatorial practices and effective communication of complex concepts through visual media.

### Donation Reference

#### Yaya por Vida

Donating Artist

May 2024

- Donated an original artwork to the Yaya por Vida auction, contributing to the nonprofit's mission of supporting community initiatives and promoting cultural enrichment.
- The donated piece is now part of their permanent collection, showcasing a commitment to fostering artistic dialogue and social impact.
- Created two additional ink works related to "**Pena Intima**," further emphasizing themes of intimacy and emotional connection, and enhancing the nonprofit's artistic offerings.

Hospitality

In pursuing my bachelor's degree in art and technology at New World School of The Arts, I've gained a comprehensive understanding of the intersection between art and technology. My academic journey also includes ongoing studies towards an associate degree at Miami Dade College, laying a strong foundation in art and technology. Additionally, my high school diploma in the arts reflects a longstanding commitment to creative education.

## COMMUNICATION

---

Proven track record of clear and articulate communication developed through seven years of customer service roles, museum tours, and brand representation. Fluent in English and Spanish, adept at tailoring communication for diverse audiences. Effective in both verbal and written communication, ensuring clarity and engagement.

## LEADERSHIP

---

Demonstrated leadership abilities cultivated through roles such as art instruction, hosting, and brand representation. Adept at guiding and managing diverse teams, fostering collaboration, and ensuring smooth workflow. Proven track record of taking initiative, making informed decisions, and adapting to dynamic environments. Effectively communicate and motivate others towards shared goals, contributing to the success of projects and team dynamics.
